

BH HOSPITALITY  
MANAGEMENT LLC

A partnership of honesty, quality customer service and trusted technology ventures.

## At a glance

Founded in 2015, BH Hospitality Management, started with one small motel in Waco, TX. Now BH Hospitality Management prides itself in producing and maintaining high quality hotels all across the state of Texas.

*World Cinema's customer service has been amazing. In addition our account's dedicated sales director always answers our calls, assists with any issues that may arise and communicates with us post installation as well.*

President and CEO

## ABOUT

BH Hospitality Management is a fully integrated management company that prides itself, in producing and maintaining high quality hotels all across the state of Texas. Much of our success comes from honest business practices, respect to and from our associates, and dedication to maintaining the quality of each of our hotels.

## SOLUTIONS FROM WCI

To maintain quality customer service to their limited service and extended stay focus brands, BH Hospitality Management, chose World Cinema to work with on providing updated in-room technology solutions including streaming apps, HD TV and interactive programming.

**Professional  
Service**

## BENEFITS

1

### Customer Service

Seamless process from sales to project management to ongoing customer support 24/7/35.

2

### Trusted Technology Advisor

Whether it is a new development, under construction or a property we are acquiring, we can trust WCI with providing the best technology that keeps us ahead of the competition.

3

### Price

With majority of our portfolio being Hilton and Marriott brands, WCI has been beating the competition with price. Their knowledge for brand standards is very helpful as well.

## BH HOSPITALITY SERVICES

BH Hospitality Management is focused on increasing the market share performance of your hotel and maintaining efficient operating margins while ensuring quality and guest satisfaction.

- Operations Management
- Sales and Marketing
