NEW YORK CITY

The Wall Street Hotel, luxury boutique hotel, selects World Cinema for in-room entertainment advanced services

A Legacy of Over 100 Years Opens Historical Independent Property Set In The Heart of Wall Street

THE STORY

Located on lower Manhattan's famed Wall Street and housed in the historic Tontine Building, The Wall Street Hotel is a colorful and charming retreat surrounded by the beating heart of the United States' main financial sector. The building that houses The Wall Street Hotel has been welcoming guests from around the world since 1794 when it began life as the Tontine Coffee House.

The Wall Street Hotel is a luxury boutique hotel, just steps from the action. The hotel features both guestrooms and suites, with Lobby Lounge & Bar, All day Restaurant, Top Floor Bar, Lounge & Terrace. It also features on its top floor a 4,000 sq ft banquet, meeting, and conference events space.

Meet the family behind the property, The Paspaley's. An Australia family-owned and run company founded in 1935. Today, Paspaley is the world's most important producer of cultured pearls. Book your trip today for a stay rich in history.

TECHNOLOGY

All rooms are keyless entry, with a guest mobile app, and

a digital compendium to make your stay seamless and convenient, along with other amenities like a custom entertainment system with casting technology, and over the top streaming apps through WCI's WorldVue platform.

The Wall Street Hotel features WCI's Mobile Remote, the touchless solution keeping guest's hands off the in-room tv remotes and puts your personal devices in control. Once connected, guests can browse through the channel guide, select a show, control volume, and change language preferences. Guests can also select streaming apps to watch on the TV.

YOUR STAY - CURATED CONCIERGE

The Wall Street Hotel offers various accommodations, from comfortable and intimate kings to spacious and luxurious suites. All guestrooms feature heated bathroom flooring, residentially inspired interiors, and Frette bed linens for the perfect night of sleep.

Wall Street Hotel provides amenities for every traveler, especially business travelers. Their "mobile office" will arrive to your room in minutes, equipped with a printer, scanner, adapters, and mailing services. ■
