# WORLDVUE®

BY WCI

WorldVue by World Cinema is the selected provider for TownePlace Suites Swedesboro Logan Township by Marriott.

*World Cinema is a GRE Approved Vendor to Marriott Hotels across North America.*

WorldVue provides the ultimate guest experience through our fully customizable platform, tailor-made for each property's unique needs.

We want to provide our guests with the best possible experience throughout their stay. World Cinema has a similar approach to customer service, and that was a contributing factor in choosing them as our technology provider. We wanted someone as dedicated to the guest experience as we are. We found that with World Cinema.
